Brazilian Vue

Features

Achieve an inviting look with a warm, beckoning style that mimics exotic Ipe heartwood. Elegant and upscale, Brazilian Vue is a deep auburn brown, with dark cocoa striping that rolls across the surface in long, even waves. Playing up the contrast between color and grain, Shaw's Luminiere finish adds a diamond-bright sparkle.

Luminiere™...it's crystal clear.

- 57/16"-wide planks
- 5-Star 25-year warranty
- Super scuff-resistant

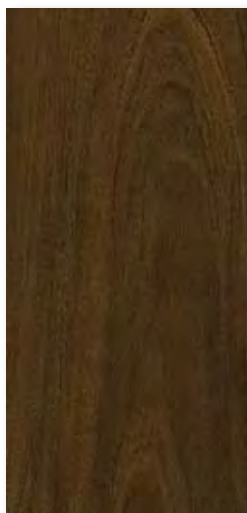

Brazilian Vue also brings you the eco-friendly benefits of Shaw's revolutionary EnviroCore—a great competitive story:

- EnviroCore—a dense inner core that provides superior moisture resistance and ultra-straight boards, resulting in optimum product stability.
- EnviroCore is made of recycled wood byproducts, using fewer trees with less waste.

Specifications

Style	SL930
Thickness	5/16"
Length	47 11/16"
Width	57/16"
Sq. Ft. per carton	25.19

This Shaw product features Shaw's Luminiere™, a very special finish that gives superior visual clarity to fine laminate flooring.

This product is made with Shaw's EnviroCore™, a high-density fiber core derived from recycled wood fiber, which means fewer trees are used with less waste.

25-Year limited residential wear, stain, fade and moisture resistance warranty. This Shaw Laminate is warranted not to stain or wear through, will not fade as a result of direct sunlight or artificial light and will resist water damage under normal use conditions for 25 years.

This Shaw product can be installed above, on or below ground level.

This Shaw laminate is constructed using LocNPlace® technology, Shaw's single action glueless locking system which greatly enhances the speed and ease of installation while improving seam integrity.

This Shaw product is made in the USA.
